The image shows a landing page for 'Commune', a platform for building engaged communities. The page has a light blue background. At the top left is the 'Commune' logo, which consists of a stylized rocket icon and the word 'Commune'. To the right of the logo are navigation links: 'Features', 'Affiliates', 'Pricing', and 'Communities'. Further right is a dark blue button with the text 'Join Waitlist'. Below the navigation is a dark blue banner with white text that reads 'We are now allowing early-access for users. [Learn more.](#)'. The main headline is 'Build a highly engaged community with no effort.' in a large, bold, dark blue font. Below the headline is a paragraph of text: 'Commune offers the tools you need to build a highly engaged community with little to no effort. Simply setup your Commune workspace, and manage everything from members to content from one central dashboard.' Below this text is a white input field with the placeholder text 'Enter your e-mail address' and a dark blue 'Join Waitlist' button. To the right of the text is a large, colorful illustration of a smartphone with various abstract shapes and patterns around it, including a paper airplane and a plus sign. At the bottom left, there is a section titled 'Used by these companies:' followed by a row of seven circular icons representing different companies: a triangle, 'Bê', a play button, a square, a cube, a speech bubble, and a Twitter bird.
